IMPORTANT INFORMATION REGARDING TRAINING:

Once all documents are complete and your request for Maximo use has been approved in IIS, a confirmation memo will be sent regarding your scheduled training dates.

An email invite will be sent from Contractor Charles Angel, Segue Technologies, with instructions provided on how to connect to the training environment.

At least 1 day prior to class:

- 1. Test to ensure your laptop/PC is configured properly and able to connect to the training environment.**
